Read! In the Name of your Allah, Who has created (all that exists).

Indeed, Prayer prohibits immorality and wrong doing.

He is with you, where you may be; and Allah is seeing your deeds.

And Say: My Allah, Increase me in knowledge.

Allah is with the believers.

Indeed He (Allah) does not like the proud.

Say not even "Fie" to Parents.

Your Heaven lies under the feet of your mother.

Be as you wish to seem.

Forgiveness is the best revenge.

I am the captain of my soul.

Education is bitter but the fruit is sweet.

Honesty is the best policy.

Knowledge is power.

The only source of knowledge is experience.

Knowledge without action is vanity, and action without knowledge is insanity.
